[Intro]  
Em Em D6/9 D6/9 x2

Verse 1]

On the first part of the journey  
I was looking at all the life  
There were plants and birds and rocks and things  
There were sand and hills and rings  
The first thing I met was a fly with a buzz  
And the sky with no clouds  
The heat was hot and the ground was dry  
But the air was full of sound

[Chorus]

Em9 Dmaj9

I've been through the desert on a horse with no name

Em9 Dmaj9

It felt good to be out of the rain

Em9 Dmaj9

In the desert you can remember your name

Em9 Dmaj9

'Cause there ain't no one for to give you no pain

Em9 Dmaj9

La, la, la la la la la, la, la

Em9 Dmaj9

La, la, la la la la la, la, la

[Verse 2]  
 Em D6/9  
 After two days in the desert sun  
 Em D6/9  
 My skin began to turn red  
 Em D6/9  
 After three days in the desert fun  
 Em D6/9  
 I was looking at a river bed  
 Em D6/9  
 And the story it told of a river that flowed  
 Em D6/9  
 Made me sad to think it was dead

[Chorus]

Em9 Dmaj9

You see I've been through the desert on a horse with no name

Em9 Dmaj9

It felt good to be out of the rain

Em9 Dmaj9

In the desert you can remember your name

Em9 Dmaj9

Em9 Dmaj9

Verse 3]

Em D6/9  
After nine days I let the horse run free  
Em D6/9  
'Cause the desert had turned to sea  
Em D6/9  
There were plants and birds and rocks and things  
Em D6/9  
There were sand and hills and rings  
Em D6/9  
The ocean is a desert with its life underground  
Em D6/9  
And a perfect disguise above  
Em D6/9  
Under the cities lies a heart made of ground  
Em D6/9  
But the humans will give no love

[Chorus]

Em9 Dmaj9  
You see, I've been through the desert on a horse with no name  
Em9 Dmaj9  
It felt good to be out of the rain

TAB by: Robb Anagnostis

The existing TABs are close but some miss the timing, others leave out notes.  
The TAB by Douglas French from 1995 (which this tab is greatly based on) is very good  
misses the very important chromatic bass line through the verses (only 3 notes...but  
Others that have the bass line show a really wierd fingering for it. Try this one out.  
really pretty easy. Check out measure #5 where the chromatic bass notes all stay on the A string.

And oh, my I-I, I-I like your style  
You, you make me, make me, make me wanna cry  
And now I beg to see you dance just one more time

[Chorus]  
N.C.  
So I say dance for me, dance for me, dance for me, oh-oh-oh  
I never seen anybody do the things you do before  
They say move for me, move for me, move for me, ay-ay-ay  
And when you're done I'll make you do it all again

[Verse 2]  
I said, oh, my God, I see you walking by  
Take my hands, my dear, and look me in my eyes  
Just like a monkey I've been dancing my whole life  
And you just beg to see me dance just one more time

[Pre-Chorus]  
Oh, I see you, see you, see you every time  
And oh, my, I, I, I, I like your style  
You, you make me, make me, make me wanna cry  
And now I beg to see you dance just one more time

[Chorus]

Well I'll be damned  
Here comes your ghost again  
But that's not unusual  
It's just that the moon is full  
And you happened to call

And here I sit  
Hand on the telephone  
Hearing a voice I'd known

A couple of light years ago  
Heading straight for a fall  
As I remember your eyes  
Were bluer than robin's eggs  
My poetry was lousy you said  
Where are you calling from?  
A booth in the Midwest  
Ten years ago  
I bought you some cufflinks  
You brought me something  
We both know what memories can bring  
They bring diamonds and rust  
Well you burst on the scene  
Already a legend  
The unwashed phenomenon  
The original vagabond  
You strayed into my arms  
And there you stayed  
Temporarily lost at sea  
The Madonna was yours for free  
Yes the girl on the half-shell  
Would keep you unharmed  
Now I see you standing  
With brown leaves falling around  
And snow in your hair  
Now you're smiling out the window  
Of that crummy hotel  
Over Washington Square  
Our breath comes out white clouds  
Mingles and hangs in the air  
Speaking strictly for me  
We both could have died then and there  
Em Em/Gb Em 2x  
Now you're telling me  
You're not nostalgic  
Then give me another word for it  
You who are so good with words  
And at keeping things vague  
Because I need some of that vagueness now  
It's all come back too clearly  
Yes I loved you dearly  
And if you're offering me diamonds and rust  
I've already paid  
Em Em/Gb\* Em 4x  
\* To form Em/Gb: form Em then add high E string, same fret

Grace - Jeff Buckley (Tab)

Tab version 2 from Andrewbiles (rated 4.848040 / 47 votes)  
Difficulty: Unknown  
Tuning: Drop D  
  
Author/Artist: Jeff Buckley  
Title: Grace  
Tabber: Andrew Biles (from the Jeff Buckley book)

I've tried explaining the order of this song along the way, so before trying to play it straight out, I recommend just trying to follow the song through. This is probably one of the easier Jeff Buckley songs to play, but it has some really nice parts and some quite awkward strumming patterns.

The only real symbols that were needed for this song were pull-offs (p), hammers (h), mutes (x) and the whammy bar (~ - appears under tab staves)

There's the moon asking to stay  
Long enough for the clouds to fly me away  
Well it's my time coming, i'm not afraid to die  
My fading voice sings of love,  
But she cries to the clicking of time  
Of time

Wait in the fire...

And she weeps on my arm  
Walking to the bright lights in sorrow  
Oh drink a bit of wine we both might go tomorrow  
Oh my love  
And the rain is falling and i believe  
My time has come  
It reminds me of the pain  
I might leave  
Leave behind

Wait in the fire...

And I feel them drown my name  
So easy to know and forget with this kiss  
I'm not afraid to go but it goes so slow

Verse 3

No one knows where they're running to  
but every kind is coming two by two  
Out on the delta where the hoofbeats pound

Can't smell the poison as it follows him,  
can't smell the gas and machines  
its a war of men.

>From: pchuss@megatest.com (William Pat Chuss)  
war of man

Tune Guitar: DADGBD (tune 1st and 6th strings down one full step)

INTRO CRDS (play twice)

C/D                    |D                    |Dm7                    |Bb                    C

And now the song:

C/D                    |D                    |Dm7  
The lit-tle crea-tures run       | in from the cold,-       | back from the nest,  
  
| Bb                    C       |C/D                    |D  
just like the       | days of old.       | There in the safety       | of a mother's arms  
  
Dm7                    |Bb                    C  
The warmth of ages far       |away from harm again.

The riff at this point is on the third and second string (G and B), open  
to third fret, to second string open then second and third frets, then play  
the D5 to fill it in. If you listen you'll get it. I'm not too good at  
typing this stuff in (sorry).

Then the next bit goes like this:

Dm7                    |                    |Bb                    |Bb5 C5 A5       |Dm (x4)  
No one wins,       |it's a war of man.       |                    |                    |

Now here's my attempt at tabbing the chords. They sound so good because of  
that DADGBD tuning. Let that Sixth string D wring out. Neil would ;-)

C/D	D	Dm7	Bb	C
0 0 5 5 5 5	0 0 7 7 7 7	0 0 0 5 6 0	x 8 8 7 6 x	x1010 9 8 x

Bb5	C5	A5	Dm
x 8 8 x x x	x1010 x x x	x 7 7 x x x	0 0 01010 x (that's 2nd and 3rd
			strings on 10th ft)

Here's the lyrics just to round things out:

The little creatures run in from the cold  
Back to the nest just like the days of old  
There in the safety of a mother's arms  
The warmth of ages, far away from harm again.

Ears ringin' from the battle fire

No one knows where they're runnin' to  
But every kind is comin' two by two

Out on the delta where the hoofbeats pound

Can't smell the poison as it follows him  
Can't see the gas and machines, it's a war of man

No one wins  
It's a war of man  
No one wins  
It's a war of man

The windows open and the little girl dreams  
The sky's her playground as she mounts her steed  
Across the heavens to the other side  
On wings of magic does the little girl ride

The little creatures run in from the cold  
Back to the nest just like the days of old  
There in the safety of a mother's arms  
The warmth of ages, far away from harm again.

No one wins  
It's a war of man  
No one wins  
It's a war of man  
No one wins

          /A /F#m /D /D

/A                /F#m                /D                /D  
One of these days I'm going to sit down and write a long letter  
/A                /F#m                /D                /D  
to all the good friends I've known.  
/A                /F#m                /D                /D

/A                /F#m                /D                /D  
though so apart we've grown.

Chorus:

/A /F#m /D /D

And I'm goin' to thank that old country fiddler  
And all those ruff boys who play that rock and roll  
I never tried to burn any bridges  
Though I know I let some good things go.

In all, Don Felder, Joe Walsh and Glenn Frey managed to fit eight different guitars in for this song. GUITAR 3 plays the cool "chicka" chords you hear during the verses. Listen closely and you can pick this part out. Use

fret-hand muting on the following chords to get the percussive sound. In other words, don't push the strings down on the fretboard, just touch the strings so they can't vibrate much. In addition, palm-mute them to give a sharper sound.

Now, here's the reason for so many guitars. On the "So I called up the Captain" verse, GUITAR 4 & 5 repeat the part from the last verse, while GUITAR 7 & 8 (distorted electrics) introduce this "answer" harmony. The 12-string is (still) playing the verse chords.

The rest of the song repeats parts I've already tabbed. If you've got the tape or CD, I suggest you listen to it while looking at the tab to find these parts. Now the solos. These are tough, so practice a lot and look at the rhythm I have laid out so you can get a feel for how it's supposed to sound.

Here are the lyrics:

On a dark desert highway  
Cool wind in my hair  
Warm smell of colitas

Rising up through the air  
Up ahead in the distance  
I saw a shimmering light  
My head grew heavy, and my sight grew dim  
I had to stop for the night  
There she stood in the doorway  
I heard the mission bell  
And I was thinking to myself  
This could be Heaven or this could be Hell  
Then she lit up a candle  
And she showed me the way  
There were voices down the corridor  
I thought I heard them say

Welcome to the Hotel California  
Such a lovely place (such a lovely place)  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year (any time of year)  
You can find it here  
You can find it here

Her mind is Tiffany twisted  
She's got the Mercedes bends  
She's got a lot of pretty, pretty boys  
That she calls friends  
How they dance in the courtyard  
Sweet summer sweat  
Some dance to remember  
Some dance to forget  
So I called up the Captain  
Please bring me my wine  
He said  
We haven't had that spirit here since 1969  
And still those voices are calling from far away  
Wake you up in the middle of the night  
Just to hear them say

Welcome to the Hotel California  
Such a lovely Place (such a lovely place)  
Such a lovely face  
They're livin' it up at the Hotel California  
What a nice surprise (what a nice surprise)  
Bring your alibies

Mirrors on the ceiling  
Pink champagne on ice  
And she said  
We are all just prisoners here  
Of our own device  
And in the master's chambers  
They gathered for the feast  
They stab it with their steely knives  
But they just can't kill the beast  
Last thing I remember  
I was running for the door  
I had to find the passage back to the place I was before  
Relax said the nightman  
We are programed to recieve  
You can check out any time you like  
But you can never leave

LOSING MY RELIGION ACOUSTIC by R.E.M  
tabbed by Jonathan Doyle

This is an alternate way to play the song that sounds great fingerpicked on an acoustic, especially if you're a solo guy playing around town. It's still in the same key but sounds a little richer, I think.

Nirvana - plateau  
Tuning: Eb

[Intro]  
(riff)

[Verse]  
G Bb Fsus2  
Many a hand has scaled the grand old face of the plateau  
G Bb Fsus2  
Some belong to strangers and some to folks you know  
G Bb Fsus2  
Holy ghosts and talk show hosts are planted in the sand  
G Bb Fsus2  
To beautify the foothills and shake the many hands

G#

[Chorus]  
G Bb Fsus2  
The nothing on the top but a bucket and a mop  
G Bb Fsus2  
And an illustrated book about birds  
G Bb Fsus2  
You see a lot up there but don't be scared  
G Bb Fsus2  
Who needs action when you got words

riff

[Verse]  
G Bb Fsus2  
When you've finished with the mop then you can stop  
G Bb Fsus2  
And look at what you've done  
G Bb Fsus2  
The plateau's clean, no dirt to be seen  
G Bb Fsus2  
And the work it was fun

[Chorus]  
G Bb Fsus2  
The nothing on the top but a bucket and a mop  
G Bb Fsus2  
And an illustrated book about birds  
G Bb Fsus2  
You see a lot up there but don't be scared  
G Bb Fsus2  
Who needs action when you got words

riff

[Verse]  
G Bb Fsus2  
Well the many hands began to scan around for the next plateau  
G Bb Fsus2  
Some said it was in Greenland and some say Mexico  
G Bb Fsus2  
Others decided it was nowhere except for where they stood  
G Bb Fsus2  
But those were all just guesses, wouldn't help you if they could

1st verse:  
Old Pirates, yes, they rob I Sold I to the merchant ships  
Minutes after they took I from the bottomless pit  
But my hand was made strong, By the hand of the Almighty  
We forward in this generation triumphantly

Chorus:  
Won't you help to sing these songs of freedom?  
'Cause all I ever had, redemption songs,  
redemption songs

2nd Verse :  
Emancipate yourselves from mental slavery, none but ourselves can free our minds  
Have no fear for atomic energy, 'Cause none of them can stop the time  
How long shall they kill our prophets while we stand aside and look?  
Yes, some say it's just a part of it we've got to fulfil the book.

Chorus:  
Won't you help to sing these songs of freedom?  
'Cause all I ever had, redemption songs,  
redemption songs, redemption songs

Bridge : [Em][Em][C][D] x4

3rd verse :  
Emancipate yourselves from mental slavery, none but ourselves can free our minds  
Have no fear for atomic energy, 'Cause none of them can stop the time  
How long shall they kill our prophets while we stand aside and look?  
Yes, some say it's just a part of it we've got to fulfil the book.

Verse:  
am g am g am g am g  
Now and then I think of when we were together

Like when you said you felt so happy you could die

Told myself that you were right for me

But felt so lonely in your company

But that was love and it's an ache I still remember

am, g, am, g x4

Verse 2:  
am, g, am, g, am,g, am, g  
You can get addicted to a certain kind of sadness

Like resignation to the end

Always the end

So when we found that we could not make sense

Well you said that we would still be friends

But I'll admit that I was glad that it was over

Chorus:

am g f g  
But you didn't have to cut me off  
am g f  
Make out like it never happened  
g am  
And that we were nothing  
g f g  
And I don't even need your love  
am g  
But you treat me like a stranger  
f g  
And that feels so rough

You didn't have to stoop so low

Have your friends collect your records

And then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Verse 3:

am g am g am g am g  
Now and then I think of all the times you screwed me over  
am g f g am g am g  
But had me believing it was always something that I'd done  
f am g  
And I don't wanna live that way  
f am g  
Reading into every word you say  
f am g  
You said that you could let it go  
f am g  
And I wouldn't catch you hung up on somebody that you used to know...

Chorus:

But you didn't have to cut me off  
Make out like it never happened  
And that we were nothing  
And I don't even need your love  
But you treat me like a stranger  
And that feels so rough

Something - The Beatles (George Harrison)

Tabbed by: Rhys Gabriel

Tuning: Standard (EADGBE)

Alright, the other versions don't seem to be quite the way it was meant to be played (half step or full step up). So hope this helps, especially for those who love the Anthology acoustic version much better than the Abbey Road version. The big difference is that Abbey Road is played just like this, but Anthology plays it in the key of A, so if you choose to play it like that, you will have to use the transposer and set it to -3 (Three half steps down.) Otherwise, that's all. Hope y'all like my first tab! (Thank you to carriep63 for the edits (And for the second time as well, sounds much better.)) Now this is the Anthology version, so not everything will sound exactly like the recordings on Abbey Road. For me personally, I like playing an Em at the second line of the verse instead of a C, but the C sounds much more correct, and I personally do C# at the end of the verse, but Eb sounds much better when the B string is brought out. Hope you enjoy!

THE SCIENTIST (ACOUSTIC) - COLDPLAY

An incredibly simple but fantastic song to play on an acoustic guitar!  
There seems to be a lot of confusion about the key of the song.  
It does state below that a capo is required, but for those that don't have a capo,  
I have taken the liberty of putting a set of chords on which do not require a capo  
and will allow you to play along with the CD.

EDIT (08/05/2020) - it's been a long time since I originally submitted this and I must say it will NOT let  
you play along to the song. The tuning of the song is very unique. I think it's tuned in 4ths  
(which basically means the high b and e strings become c and f. These strings are then played as open  
throughout). But even then it still doesn't quite sound right.

Oh well, I'm happy with my version as an acoustic...

(CAPO ON 3RD FRET) (NO CAPO)

[Verse 2]

In restless dreams I walked alone G  
Narrow streets of cobblestone, Am  
F C

'neath the halo of a street lamp,  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a neon light  
That split the night  
And touched the sound of silence.

[Verse 3]  
And in the naked light I saw  
Ten thousand people, maybe more.  
People talking without speaking,  
People hearing without listening,  
People writing songs that voices never share  
And no one dare  
Disturb the sound of silence.

[Verse 4]  
Fools said I, you do not know  
Silence like a cancer grows.  
Hear my words that I might teach you,  
Take my arms that I might reach you.  
But my words like silent raindrops fell,  
And echoed  
In the wells of silence

[Verse 5]  
And the people bowed and prayed  
To the neon God they made.  
And the sign flashed out its warning,  
In the words that it was forming.  
And the sign said, the words of the prophets  
Are written on the subway walls  
And tenement halls.  
And whisper'd in the sounds of silence.

So, so you think you can tell  
Am  
Heaven from Hell  
G  
Blue Skies from pain  
D/F#  
Can you tell a green field  
C  
From a cold steel rail  
Am  
A smile from a veil  
G  
Do you think you can tell  
C  
Did they get you to trade  
D/F#  
Your heroes for ghosts  
Am  
Hot Ashes for trees  
G  
Hot air for a cool breeze  
D/F#  
Cold comfort for change

Did you exchange?

A walk on part in the war  
G  
For a lead role in a cage

Chords in the original key of F. McCartney plays it in G but uses a guitar that is tuned down one full step (D-G-C-F-A-d), that's why the song sounds in the key of F. Transposed +2 to G (the way McCartney played it in the studio and plays it live until today) the song is much easier to play.

That I put down in words,  
D/F# Em G A  
How wonderful life is while you're in the world

[Interlude]  
D G A G

[Verse 2]  
D Gmaj7 A/C# F#m  
I sat on the roof and kicked off the moss  
Bm Bm/A Bm/G# Gmaj7  
Well a few of the verses, well they've got me quite cross  
D A F# Bm  
But the sun's been quite kind, while I wrote this song  
D Em7 G A  
It's for people like you that keep it turned on

D Gmaj7 A/C# F#m  
So excuse me forgetting, but these things I do  
Bm Bm/A Bm/G# Gmaj7  
You see I've forgotten if they're green or they're blue  
D A F# Bm  
Anyway, the thing is, what I really mean  
D Em7 G D  
Yours are the sweetest eyes I've ever seen

[Chorus]  
A/C# Bm Em7 G  
And you can tell everybody this is your song  
A/C# Bm Em G  
It may be quite simple but now that it's done  
Bm Bm/A  
I hope you don't mind, I hope you don't mind  
Bm/G# G6  
That I put down in words,  
D Em G A  
How wonderful life is while you're in the world

Bm Bm/A  
I hope you don't mind, I hope you don't mind  
Bm/G# G6  
That I put down in words,  
D/F# Em G D G A G D  
How wonderful life is while you're in the world
